

Middle Niobrara NRD approves New Rules for the Expansion of Irrigated Acres and Uses

At the September 12, 2011 MNNRD monthly meeting, the Board of Directors voted to approve new rules and regulations to comply with LB 483 (Neb. Rev. Stat. § 46-714(12) 2009). These rules will allow new development of up to 2500 irrigated acres or equivalent consumptive water use, each year for the next 4 years. A copy of the new rules can be picked up at the MNNRD Office or viewed online at mnnrd.org. If you have any questions regarding these new rules please contact Tim Storm at 402-376-3241.
