Location:

____ 1/4 of ____ 1/4 Sec. ____ Twmsp: ____ Range: ____

Registration #: _____ Type of Well: _____

Site Description: _____

REQUIREMENTS

1. It is the responsibility of the participants to secure the services of a licensed well driller.
2. The abandonment work, procedures, and documentation will be done in accordance with Nebraska Dept. of Health regulations (Title 178 Ch. 12).
3. No work shall be done prior to approval of MNNRD funding and site approval.
4. Above ground obstacles, pumps, and hung pipes will be removed at owner's expense. These expenses will not be eligible for cost share.
5. Participants will submit copies of itemized bills and a check for the balance (total cost - cost share) by June 1, 2008. Any claim submitted after this date will not be considered.
6. All work is subject to inspection while in progress or completed.
7. Only wells on privately owned land are eligible.
8. Cost share is set at 65% of materials and labor. There is a maximum limit of \$300 for a well less than 12 inches in diameter, and \$500 for a well larger than 12 inches in diameter.
